## Location & Campus

### Location

Bunker Hills Academy is located in Andover, Minnesota on the beautiful 15 acre campus of Riverdale Church. Bunker Lake Boulevard is a major thoroughfare in this growing Northwest area of Minneapolis. The surrounding cities are newer suburbs north of the metro and part of the northern tier of suburbs experiencing the greatest population and housing growth in the Twin Cities area.

### Building & Grounds

Our campus includes:

- Appropriate sized academic classrooms
- Classrooms for art, music, and foreign language
- A full size gymnasium
- A lunchroom with a fully equipped kitchen
- A chapel for music and drama presentations
- Outdoor playgrounds and ball fields

### Transportation

We are located in the center of the Anoka Hennepin School District #11. We have enrolled students from many of the surrounding suburbs because they can be bussed to and from BHA using school district bussing. Most of our students are transported to and from BHA by their family or by family car pools.

*"Thank you for the opportunity to go to your wonderful school. It has made me more outgoing and has given me great friends. BHA is a wonderful school." - BHA Student*
